IV. Our Data protection guidelines

"Personal data" means data about or relating to a natural person who is directly or indirectly identifiable, having regard to any characteristic, trait, attribute or any other

feature of the identity of such natural person, or any combination of such features, or any combination of such features with any other information;

On rare occasions, you may provide us or we may collect Sensitive personal data meaning personal data" revealing or related to:

- (i) Passwords
- (ii) Financial data
- (iii) Health data
- (iv) Official identifier
- (v) Sex life
- (vi) Sexual orientation
- (vii) Biometric data
- (viii) Genetic data
- (ix) Transgender status
- (x) Intersex status
- (xi) Caste or tribe

Information we collect from third parties

We collect most personal data from you directly. However, we may also collect information about you: from publicly accessible sources, e.g. from third party sources of information

Information we collect online

We do not use cookies or analytics on Our Website and do not collect any technical information from you when you access Our Website. No information about your visit and use of Our Website.

Our processing of your personal data follows the guidelines as specified by India's data protection bill 2018 below:

1. Fair and reasonable processing:

We will handle your personal data in a fair and reasonable manner

2. Purpose limitation

- (i) We will process your personal data only for specific and lawful purposes
- (ii) We will process your personal data only for specified purposes and in the context or circumstances within which it was collected.

3. Collection limitation

Collection of personal data shall be limited to such data that is necessary for the purposes of processing.

4. Lawful processing

We will process your personal data and sensitive data only on the basis of one or a combination of grounds as specified in the Purpose limitation

5. Notice

We let the data principal know, no later than at the time of collection of the personal or sensitive personal data:

- (a) the purposes for which the personal data is to be processed;
- (b) the categories of personal data being collected;
- (c) the identity and contact details of the data protection officer, if applicable;
- (d) the right of the data principal to withdraw such consent, and the procedure for such withdrawal, if the personal data is intended to be processed on the basis of consent;
- (e) the basis for such processing, and the consequences of the failure to provide such personal data
- (f) the source of such collection, if the personal data is not collected from the data principal;
- (g) the individuals or entities including other data fiduciaries or data processors, with whom such personal data may be shared, if applicable;
- (h) information regarding any cross-border transfer of the personal data that the data fiduciary intends to carry out, if applicable;
- (i) the period for which the personal data will be retained
- (j) the existence of and procedure for the exercise of data principal rights
- (k) the procedure for grievance redressal if applicable;
- (l) the existence of a right to file complaints to the Authority;
- (m) any other information as may be specified by the Authority.

All of the above mentioned information will be provided to the data principal in a clear and concise manner that is easily comprehensible to a reasonable person and in multiple languages where necessary and practicable.

6. Data quality

We shall take reasonable steps to ensure that personal data processed is complete, accurate, not misleading and updated, having regard to the purposes for which it is processed. We will take reasonable steps to ensure that:

- (i) Personal data is kept in a form that distinguishes personal data based on facts from personal data based on opinions or personal assessments.
- (ii) Where personal data is disclosed to other individuals or entities, if such data does not comply with sub-section (1), steps will be taken to notify such individuals or entities of this fact.

7. Data storage limitation

- (i) We shall retain personal data and sensitive personal data only as long as may be reasonably necessary to satisfy the purpose for which it is processed.
- (ii) Notwithstanding sub-section (1), personal data may be retained for a longer period of time if such retention is explicitly mandated, or necessary to comply with any obligation, under a law.
- (iii) We will undertake periodic review in order to determine whether it is necessary to retain the personal data in our possession.
- (iv) Where it is not necessary for your personal data to be retained by us under sub-sections (1) and (2), then such personal data will be deleted in a manner as may be specified.

8. Accountability

(1) We are responsible for complying with the obligations set out in India's Data Protection bill, 2018 in respect of any processing undertaken by it or on its behalf.

(2) Any data processing undertaken by us will be in accordance with the provisions of India's Data Protection bill.

2. Purpose limitation – data must be collected for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes.

3. Data minimisation – data must be adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed.

4. Accuracy – data must be accurate and, where necessary, kept up to date.

5. Storage limitation – data must be kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed.

9. Integrity and confidentiality

We will look to process all personal and sensitive personal data in a manner that ensures appropriate security of the personal data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage by using appropriate technical or organisational measures.

V. Changes to this policy

We will keep making changes to this policy from time to time. This current version of the policy will always be available from us in hard copy or on Our Website. We will post a notice on Our Website to notify you of any significant changes to this Policy.

Updated and effective as of 1st November 2019
